SOCIAL ENTREPRENEURSHIP IMPACT LAB™

Get the support you need to accelerate your business growth.

Growth specialists, Fetola have developed a programme designed specifically for social enterprises and businesses doing good. If you're looking for long-term, sustainable business growth, the FNB Social Entrepreneurship Impact Lab™ is for you.

What you can expect from the programme:

- One-on-one mentorship
- Business development support workshops
- Specialist support
- Live pitching sessions and pitch deck refinement
- Assessments, training and support centred on business fundamentals & investment readiness
- Targeted introductions to potential partners & finance providers

The programme is split into 2 phases:

Phase 1
12 months of business growth support & intro to Investment Readiness

Phase 2
6-months of intensive Investment Readiness & growth acceleration

Who qualifies?

We want to hear from you if your business:

- Is at least 51% black owned with annual turnover not exceeding R10m
- Offers a product or service that delivers positive social impact
- Has real potential for growth, job creation, and scale
- Is a registered enterprise run on for-profit principles
- Operates within South Africa's borders
- Has a proven track record including market traction
- Focuses on high-impact sectors such as water, energy, waste, food security, education or technology, and
- Has a BIG vision for the future!

You'll walk away with a stronger business model, a powerful investment case, a focused growth plan, and practical, implementable tools to help you grow your business the way it needs to.

Interested? We're glad to hear it.
