Fuelled by Sasol Enterprise and Supplier Development In Partnership with Fetola

Grow circular. Grow smarter.

The Circular Impact Lab, fuelled by Sasol Enterprise and Supllier Development and implemented by Fetola, is a 9-month business growth initiative to help early-stage businesses build their success.

This is achieved by adopting circular principles to strengthen their foundations, become more competitive, create jobs and improve their sustainability and environmental impact.

QUALIFYING CRITERIA

- The business is at least 51% black-owned and managed. The business generates revenue of at least R250k per annum.
- The business must be a registered legal entity with CIPC and tax registration.
